Kitchen and Food Service Safety

Sentry is a leading provider of insurance and safety services for assisted living facilities. Our experienced safety professionals know and understand the risks that assisted living facilities face and have developed safety solutions that can help avoid loss.

Sentry Solutions – Kitchen and Food Service Safety in Assisted Living Facilities identifies specific prevention procedures covering:

- Food safety and sanitation
- Employee safety
- Slips, trips and falls
- Back and shoulder injuries
- Hazardous chemicals
- Hot oil
- Machines and equipment
- Hazardous energy

With Sentry's help, you'll spend less time worrying about kitchen and food safety and more time focusing on running your business successfully.

Visit us at sentry.com for more information on reducing risks associated with your business. Put our expertise to work for you.

**Sentry Insurance –
We know your business.**

Claim File

Salads are prepared on the same counter surface where chicken was recently handled. Proper disinfecting procedures are not followed by the kitchen staff members. Salmonella is transferred to the salads, which are then served to residents at that evening's dinner. Several residents become ill, and two of them are hospitalized. The assisted living facility is found negligent for the illnesses.

Products and safety services are underwritten, issued and/or administered by a member of the Sentry Insurance Group, Stevens Point, WI. For a complete listing of companies, visit sentry.com. Policies, coverages, benefits and discounts are not available in all states. Certain restrictions apply. See policy for complete coverage details.

This page contains general information on reducing risk. Sentry recommends that you consult with your legal counsel as appropriate.
