Needles and Sharps Safety

Sentry is a leading provider of insurance and safety services for assisted living facilities. Our experienced safety professionals know and understand the risks that assisted living facilities face and have developed safety solutions that can help avoid loss.

Sentry Solutions – Controlling Needles and Sharps Use in Assisted Living Facilities identifies specific prevention procedures covering:

- Training
- Personal protective equipment
- Use and disposal
- Enforcement

With Sentry's help, you'll spend less time worrying about needles and sharps use and more time focusing on running your business successfully.

Visit us at sentry.com for more information on reducing risks associated with your business. Put our expertise to work for you.

Sentry Insurance – We know your business.

Claim File

An LPN forgets to bring a portable sharps disposal container to a resident's room for her daily insulin shot. The LPN accidentally sticks herself in the hand with the needle while carrying it back to the medical supply storage room for disposal. The incident investigation uncovers that the resident has Hepatitis C.

Products and safety services are underwritten, issued and/or administered by a member of the Sentry Insurance Group, Stevens Point, WI. For a complete listing of companies, visit sentry.com. Policies, coverages, benefits and discounts are not available in all states. Certain restrictions apply. See policy for complete coverage details.

This page contains general information on reducing risk. Sentry recommends that you consult with your legal counsel as appropriate.
