Recruiting, Training and Retaining Assisted Living Facility Employees

Sentry is a leading provider of insurance and safety services for assisted living facilities. Our experienced safety professionals know and understand the risks that assisted living facilities face and have developed safety solutions that can help avoid loss.

Sentry Solutions – Recruiting, Training and Retaining Assisted Living Facility Employees identifies specific prevention procedures covering:

- Recruiting, training and retaining
- Investigating and documenting performance
- Counseling and termination
- Handling termination

With Sentry's help, you'll spend less time worrying about employment practices and more time focusing on running your business successfully.

Visit us at sentry.com for more information on reducing risks associated with your business. Put our expertise to work for you.

Sentry Insurance – We know your business.

Claim File

A night nurse feels a new co-worker is making offensive remarks to her. She has documented the dates that the incidents took place and complaints she made to supervisors. When the situation is not corrected, she sues the co-worker and employer for workplace harassment. The case is settled out of court, but the investigation uncovers that the new employee had been accused of similar acts in the past.

Products and safety services are underwritten, issued and/or administered by a member of the Sentry Insurance Group, Stevens Point, WI. For a complete listing of companies, visit sentry.com. Policies, coverages, benefits and discounts are not available in all states. Certain restrictions apply. See policy for complete coverage details.

This page contains general information on reducing risk. Sentry recommends that you consult with your legal counsel as appropriate.
