Safe Resident Handling Procedures

Sentry is a leading provider of insurance and safety services for assisted living facilities. Our experienced safety professionals know and understand the risks that assisted living facilities face and have developed safety solutions that can help avoid loss.

Sentry Solutions – Safe Resident Handling Procedures in Assisted Living Facilities identifies specific prevention procedures covering:

- Injury reduction
- Injury assessments
- Resident assessments
- Lift and transfer equipment

With Sentry's help, you'll spend less time worrying about resident handling procedures and more time focusing on running your business successfully.

Visit us at sentry.com for more information on reducing risks associated with your business. Put our expertise to work for you.

**Sentry Insurance –
We know your business.**

Claim File

A staff member strains her back while assisting a resident with a wheelchair-to-bed transfer when she twists her lower back instead of rotating her feet during the move. The staff member misses several days of work and has significant medical bills due to her injury.

Products and safety services are underwritten, issued and/or administered by a member of the Sentry Insurance Group, Stevens Point, WI. For a complete listing of companies, visit sentry.com. Policies, coverages, benefits and discounts are not available in all states. Certain restrictions apply. See policy for complete coverage details.

This page contains general information on reducing risk. Sentry recommends that you consult with your legal counsel as appropriate.
