Managing Staff Vehicle Use

Sentry is a leading provider of insurance and safety services for assisted living facilities. Our experienced safety professionals know and understand the risks that assisted living facilities face and have developed safety solutions that can help avoid loss.

Sentry Solutions – Managing Staff Vehicle Use in Assisted Living Facilities identifies specific prevention procedures covering:

- MVR evaluations
- A written safety program
- Employee training
- Personal vehicle use for business

With Sentry's help, you'll spend less time worrying about employee vehicle use and more time focusing on running your business successfully.

Visit us at sentry.com for more information on reducing risks associated with your business. Put our expertise to work for you.

Sentry Insurance – We know your business.

Claim File

An assisted living facility driver is transporting 12 residents to a shopping center in the facility's van. The driver is talking to a passenger and does not see a truck stop abruptly in front of him. The van rear-ends the truck, and several of the residents are taken to the hospital emergency room for treatment.

Products and safety services are underwritten, issued and/or administered by a member of the Sentry Insurance Group, Stevens Point, WI. For a complete listing of companies, visit sentry.com. Policies, coverages, benefits and discounts are not available in all states. Certain restrictions apply. See policy for complete coverage details.

This page contains general information on reducing risk. Sentry recommends that you consult with your legal counsel as appropriate.
