# Don't Let Employee Vehicle Use Spin Your Business Out of Control

**Adopting Sentry's recommended procedures can help you reduce your employee vehicle use exposures.**

Sentry is a leading provider of insurance and safety services for the metalworking industry. Put our expertise to work for you. Sentry's experienced safety professionals recommend that metalworking customers adopt fleet safety procedures covering:

- Motor Vehicle Report reviews
- Drug and alcohol testing
- Pre-planned trip routing
- Liability insurance verification
- Headlight use at all times

These recommendations, designed to help you reduce your claims, are detailed in *Sentry Solutions – The Guide to Controlling Employee Vehicle Use*.

With Sentry's help, you'll spend less time worrying about employee vehicle use and more time focusing on running your business successfully.

**Visit us at [sentry.com](http://sentry.com) for more information on reducing risks associated with your business.**

## Sentry Insurance – We know your business.

### Claim File

Two employees on a business trip stopped at a bar. On their way home, their vehicle rolled over twice, ejecting the driver. He was pronounced dead on arrival at a local hospital. This tragic event resulted in loss of a father, a valued employee and an active member of the community.

Products and safety services are underwritten, issued and/or administered by a member of the Sentry Insurance Group, Stevens Point, WI. For a complete listing of companies, visit [sentry.com](http://sentry.com). Policies, coverages, benefits and discounts are not available in all states. Certain restrictions apply. See policy for complete coverage details.

This page contains general information on reducing risk. Sentry recommends that you consult with your legal counsel as appropriate.
