Don't Let Poor Hiring and Training Procedures Degrade Your Facility and Workforce

Adopting Sentry's recommended procedures can help you reduce exposure to losses from hiring and training missteps.

Sentry is a leading provider of insurance and safety services for the printing industry. Put our expertise to work for you.

Sentry's experienced loss control professionals recommend that printers adopt specific prevention procedures covering:

- Recruiting
- Training
- Retention
- Temporary staffing

These recommendations, designed to help you reduce your claims, are detailed in *Sentry Solutions – The Guide to Recruiting, Training and Retaining Printing Employees*.

With Sentry's help, you'll spend less time worrying about employment practices and more time focusing on running your business successfully.

Visit us at sentry.com for more information on reducing risks associated with your business.

Sentry Insurance – We know your business.

Claim File

A new employee lifted more sheets of finished product than recommended in order to take longer breaks between lifts. After a few hours, he began to experience back pain. The employee missed several days of work due to strained muscles in his lower back.

Products and safety services are underwritten, issued and/or administered by a member of the Sentry Insurance Group, Stevens Point, WI. For a complete listing of companies, visit sentry.com. Policies, coverages, benefits and discounts are not available in all states. Certain restrictions apply. See policy for complete coverage details.

This page contains general information on reducing risk. Sentry recommends that you consult with your legal counsel as appropriate.
