# Don't Let Hazardous Material Mishandling Leave Your Facility Awash in Red Ink

**Adopting Sentry's recommended procedures can help you reduce your hazardous material exposures.**

Sentry is a leading provider of insurance and safety services for the printing industry. Put our expertise to work for you.

Sentry's experienced safety professionals recommend that printers adopt hazardous material exposure prevention procedures covering:

- Hazard communication programs
- Hazardous materials inventorying
- Job-specific training
- Personal Protective Equipment assessments

These recommendations, designed to help you reduce your claims, are detailed in *Sentry Solutions – The Guide to Hazardous Materials Safety*.

With Sentry's help, you'll spend less time worrying about hazardous material mishandling and more time focusing on running your business successfully.

**Visit us at [sentry.com](http://sentry.com) for more information on reducing risks associated with your business.**

## Sentry Insurance – We know your business.

### Claim File

A press operator inadvertently splashed blanket wash into his eyes. Treatment was delayed because the Material Safety Data Sheet was missing, the bottle was not color-coded and the bottle's label was worn and illegible. Treatment delays caused the operator to be hospitalized with severe eye burns.

Products and safety services are underwritten, issued and/or administered by a member of the Sentry Insurance Group, Stevens Point, WI. For a complete listing of companies, visit [sentry.com](http://sentry.com). Policies, coverages, benefits and discounts are not available in all states. Certain restrictions apply. See policy for complete coverage details.

This page contains general information on reducing risk. Sentry recommends that you consult with your legal counsel as appropriate.
