Don't Let Employee Vehicle Use Spin Your Business Out of Control

Adopting Sentry's recommended procedures can help you reduce your employee vehicle use exposures.

Sentry is a leading provider of insurance and safety services for the food processing industry. Put our expertise to work for you.

Sentry's experienced safety professionals recommend that food processors adopt fleet safety procedures covering:

- Driver safety
- Motor Vehicle Report reviews
- Drug and alcohol testing
- Pre-planned trip routing
- Liability insurance verification

These recommendations, designed to help you reduce your claims, are detailed in *Sentry Solutions – The Guide to Controlling Employee Vehicle Use*.

With Sentry's help, you'll spend less time worrying about employee vehicle use and more time focusing on running your business successfully.

Visit us at sentry.com for more information on reducing risks associated with your business.

Sentry Insurance – We know your business.

Claim File

A truck driver for a food processing firm hit a guardrail while talking on his cell phone. Both axles disconnected from the trailer and came to rest on the centerline between lanes. Another driver then hit the tandems and spun. Seconds later another truck hit the other vehicle, killing the driver instantly.

Products and safety services are underwritten, issued and/or administered by a member of the Sentry Insurance Group, Stevens Point, WI. For a complete listing of companies, visit sentry.com. Policies, coverages, benefits and discounts are not available in all states. Certain restrictions apply. See policy for complete coverage details.

This page contains general information on reducing risk. Sentry recommends that you consult with your legal counsel as appropriate.
