Don't Let Product Safety Issues Stop Your Facility Short

Adopting Sentry's recommended procedures can help your product safety exposures.

Sentry is a leading provider of insurance and safety services for the food processing industry. Put our expertise to work for you.

Sentry's experienced safety professionals recommend that food processors adopt product safety prevention procedures covering:

- Staffing
- Product tampering
- Manufacturing
- Post-production

These recommendations, designed to help you reduce your claims, are detailed in *Sentry Solutions – The Guide to Reducing Products Liability*.

With Sentry's help, you'll spend less time worrying product liability issues and more time focusing on running your business successfully.

Visit us at sentry.com for more information on reducing risks associated with your business.

Sentry Insurance – We know your business.

Claim File

A candy manufacturing operation reused one-use trays for a short second production run. The trays deteriorated during the run, resulting in plastic shards becoming embedded in the candy. Several claims were later filed by purchasers who alleged bodily injury as a result of eating the candy.

Products and safety services are underwritten, issued and/or administered by a member of the Sentry Insurance Group, Stevens Point, WI. For a complete listing of companies, visit sentry.com. Policies, coverages, benefits and discounts are not available in all states. Certain restrictions apply. See policy for complete coverage details.

This page contains general information on reducing risk. Sentry recommends that you consult with your legal counsel as appropriate.
