# Don't Let Poor Hiring and Training Procedures Degrade Your Facility and Workforce

**Adopting Sentry's recommended procedures can help you reduce exposure to losses from hiring and training missteps.**

Sentry is a leading provider of insurance and safety services for the food processing industry. Put our expertise to work for you.

Sentry's experienced loss control professionals recommend that food processors adopt specific prevention procedures covering:

- Recruiting
- Training
- Retention
- Temporary staffing

These recommendations, designed to help you reduce your claims, are detailed in *Sentry Solutions – The Guide to Recruiting, Training and Retaining Employees*.

With Sentry's help, you'll spend less time worrying about employment practices and more time focusing on running your business successfully.

**Visit us at [sentry.com](http://sentry.com) for more information on reducing risks associated with your business.**

## Sentry Insurance – We know your business.

### Claim File

An inexperienced employee was placed on a production line. He received a brief explanation of his job duties from his supervisor, who then left the new employee alone to perform the job. The employee was not told to keep his hands out of the conveyor area. He sustained a finger amputation when he tried to clear the jammed machine.

Products and safety services are underwritten, issued and/or administered by a member of the Sentry Insurance Group, Stevens Point, WI. For a complete listing of companies, visit [sentry.com](http://sentry.com). Policies, coverages, benefits and discounts are not available in all states. Certain restrictions apply. See policy for complete coverage details.

This page contains general information on reducing risk. Sentry recommends that you consult with your legal counsel as appropriate.
